Bottom Line. Prime contractors need to identify the contractors without base access who will attend the site visit and immediately book an appointment at Pass & ID as well as submit the respective DBIDS request form by the suspense date. Contractors need to ensure attendees have completed and bring their 5512s with them.

Lastly please submit to Lauren.a.lyons.civ@us.navy.mil and copying deborah.a.peabody2.civ@us.navy.mil, brad.beisswanger.civ@us.navy.mil, edward.d.flint.civ@us.navy.mil, weston.c.polen.civ@us.navy.mil, david.w.hopper13.civ@us.navy.mil and thomas.e.carleton2.ctr@us.navy.mil a list of all attendees NO LATER THAN 2 February 2026 (if there are potential attendees, please just include them noting the same).

If you plan on having contractors/subs attend who are not badged, please reach out sooner than later so we can appropriately arrange escorts and coordination.

Thank you for attention to this matter.
