DATA REQUIRED BY THE PRIVACY ACT (5 U.S.C. 522a)

Authority under Executive Order 9397 for the purpose of ensuring positive identification. Use of the SSN is to ensure positive identification. Routine use is to obtain authorization for your visit to these facilities and access to classified information at the host organization. Disclosure is voluntary; however, failure to provide the information may result in denial of access to host organization and access to classified information. Personnel requiring SCIF access must also provide a room number and office code for the individual or organization being visited.
