(d) *Comptroller General Examination of Record*. The Contractor shall comply with the provisions of this paragraph (d) if this contract was awarded using other than sealed bid, is in excess of the simplified acquisition threshold, as defined in FAR 2.101, on the date of award of this contract and does not contain the clause at 52.215-2, Audit and Records--Negotiation.

(1) The Comptroller General of the United States, or an authorized representative of the Comptroller General, shall have access to and right to examine any of the Contractor's directly pertinent records involving transactions related to this contract.

(2) The Contractor shall make available at its offices at all reasonable times the records, materials, and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified in FAR Subpart 4.7, Contractor Records Retention, of the other clauses of this contract. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved.

(3) As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form. This does not require the Contractor to create or maintain any record that the Contractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(e)(1) Notwithstanding the requirements of the clauses in paragraphs (a), (b), (c) and (d) of this clause, the Contractor is not required to flow down any FAR clause, other than those in paragraphs (e)(1) of this paragraph in a subcontract for commercial products or commercial services. Unless otherwise indicated below, the extent of the flow down shall be as required by the clause—

252.232-7003 **ELECTRONIC SUBMISSION OF PAYMENT REQUESTS AND RECEIVING REPORTS**
(DEC 2018)
(IAW DFARS 232.7004(a))

(a) *Definitions.* As used in this clause—

(1) “Contract financing payment” and “invoice payment” have the meanings given in section 32.001 of the Federal Acquisition Regulation.

(2) “Electronic form” means any automated system that transmits information electronically from the initiating system to all affected systems. Facsimile, e-mail, and scanned documents are not acceptable electronic forms for submission of payment requests. However, scanned documents are acceptable when they are part of a submission of a payment request made using Wide Area WorkFlow (WAWF) or another electronic form authorized by the Contracting Officer.

(3) “Payment request” means any request for contract financing payment or invoice payment submitted by the Contractor under this contract.

(b) Except as provided in paragraph (c) of this clause, the Contractor shall submit payment requests and receiving reports using WAWF, in one of the following electronic formats that WAWF accepts: Electronic Data Interchange, Secure File Transfer Protocol, or World Wide Web input. Information regarding WAWF is available on the Internet at <https://wawf.eb.mil/>.

(c) The Contractor may submit a payment request and receiving report using other than WAWF only when—

(1) The Contracting Officer authorizes use of another electronic form. With such an authorization, the Contractor and the Contracting Officer shall agree to a plan, which shall include a timeline, specifying when the Contractor will transfer to WAWF;

(2) DoD is unable to receive a payment request or provide acceptance in electronic form;

(3) The Contracting Officer administering the contract for payment has determined, in writing, that electronic submission would be unduly burdensome to the Contractor. In such cases, the Contractor shall include a copy of the Contracting Officer’s determination with each request for payment; or

(4) DoD makes a payment for commercial transportation services provided under a Government rate tender or a contract for transportation services using a DoD-approved electronic third party payment system or other exempted vendor payment/invoicing system (e.g., PowerTrack, Transportation Financial Management System, and Cargo and Billing System).

(d) The Contractor shall submit any non-electronic payment requests using the method or methods specified in Section G of the contract.

(e) In addition to the requirements of this clause, the Contractor shall meet the requirements of the appropriate payment clauses in this contract when submitting payment requests.

ADDENDUM TO CLAUSE 52.212-4

5352.201-9101 OMBUDSMAN (JUN 2023)
(IAW DAFFARS 5301.9103)

(a) An ombudsman has been appointed to hear and facilitate the resolution of concerns from offerors, potential offerors, and others for this acquisition. When requested, the ombudsman will maintain strict confidentiality as to the source of the concern. The existence of the ombudsman does not affect the authority of the program manager, contracting officer, or source selection official. Further, the ombudsman does not participate in the evaluation of proposals, the source selection process, or the adjudication of protests or formal contract disputes. The ombudsman may refer the interested party to another official who can resolve the concern.

(b) Before consulting with an ombudsman, interested parties must first address their concerns, issues, disagreements, and/or recommendations to the contracting officer for resolution. Consulting an ombudsman does not alter or postpone the timelines for any other processes (e.g., agency level bid protests, GAO bid protests, requests for debriefings, employee-employer actions, contests of OMB Circular A-76 competition performance decisions).

(c) If resolution cannot be made by the contracting officer, the interested party may contact the ombudsman, (Primary)

Ms. Susan Skaggs
3001 Staff Drive
Tinker AFB OK 73145
Phone: (405)739-2372

(Alternate)

Ms. Janet Kuruvilla
3001 Staff Drive
Tinker AFB OK 73145
Phone: (405)736-2427

Concerns, issues, disagreements, and recommendations that cannot be resolved at the Center/MAJCOM/DRU/SMC ombudsman level, may be brought by the interested party for further consideration to the Department of the Air Force ombudsman, Associate Deputy Assistant Secretary (ADAS) (Contracting), SAF/AQC, 1060 Air Force Pentagon, Washington DC 20330-1060, phone number (571) 256-2395, facsimile number (571) 256-2431.

(d) The ombudsman has no authority to render a decision that binds the agency.

(e) Do not contact the ombudsman to request copies of the solicitation, verify offer due date, or clarify technical requirements. Such inquiries shall be directed to the contracting officer.

(IAW DFARS 225.7021-4(a))

(a) *Definitions.* As used in this clause— *Covered contract* means any DoD contract or subcontract with a value in excess of \$5 million, not including contracts for commercial products and commercial services. *Covered entity* means any corporation, company, limited liability company, limited partnership, business trust, business association, or other similar entity, including any subsidiary thereof, performing work on a covered contract in the People's Republic of China, including by leasing or owning real property used in the performance of the covered contract in the People's Republic of China.

(b) *Disclosure requirement.*

(1) In accordance with section 855 of the National Defense Authorization Act for Fiscal Year 2022 (Pub. L. 117–81, 10 U.S.C. 4651 note prec.), DoD may not award, extend, or exercise an option on a covered contract with a covered entity unless such covered entity submits each required disclosure of its use of workforce and facilities in the People's Republic of China, if it employs one or more individuals who perform work in the People's Republic of China on a covered contract.

(2) If the Contractor is a covered entity, the Contractor shall disclose for the Government's fiscal years 2023 and 2024, the Contractor's employment of one or more individuals who perform work in the People's Republic of China on any covered contract. The disclosures shall include—

(i) The total number of such individuals who perform work in the People's Republic of China on the covered contracts funded by DoD; and

(ii) A description of the physical presence, including street address or addresses in the People's Republic of China, where work on the covered contract is performed.

(c) *Subcontracts.* The Contractor shall insert this clause, including this paragraph (c), without alteration other than to identify the appropriate parties, in all subcontracts that meet the definition of a covered contract.

(IAW DFARS 232.7004(b), PGI 232.7004(b)(1), DFARS 212.301(f)(liii))

(a) *Definitions.* As used in this clause—

“Department of Defense Activity Address Code (DoDAAC)” is a six position code that uniquely identifies a unit, activity, or organization.

“Document type” means the type of payment request or receiving report available for creation in Wide Area WorkFlow (WAWF).

“Local processing office (LPO)” is the office responsible for payment certification when payment certification is done external to the entitlement system.

“Payment request” and “receiving report” are defined in the clause at 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(b) *Electronic invoicing.* The WAWF system provides the method to electronically process vendor payment requests and receiving reports, as authorized by Defense Federal Acquisition Regulation Supplement (DFARS) 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(c) *WAWF access.* To access WAWF, the Contractor shall—

(1) Have a designated electronic business point of contact in the System for Award Management at <https://www.sam.gov>; and

(2) Be registered to use WAWF at <https://wawf.eb.mil/> following the step-by-step procedures for self-registration available at this web site.

(d) *WAWF training.* The Contractor should follow the training instructions of the WAWF Web-Based Training Course and use the Practice Training Site before submitting payment requests through WAWF. Both can be accessed by selecting the “Web Based Training” link on the WAWF home page at <https://wawf.eb.mil/>.

(e) *WAWF methods of document submission.* Document submissions may be via web entry, Electronic Data Interchange, or File Transfer Protocol.

(f) *WAWF payment instructions.* The Contractor shall use the following information when submitting payment requests and receiving reports in WAWF for this contract or task or delivery order:

(1) Document type. The Contractor shall submit payment requests using the following document type(s):

(i) For cost-type line items, including labor-hour or time-and-materials, submit a cost voucher.

(ii) For fixed price line items—

(A) That require shipment of a deliverable, submit the invoice and receiving report specified by the Contracting Officer.

(Contracting Officer: Insert applicable invoice and receiving report document type(s) for fixed price line items that require shipment of a deliverable.)

(B) For services that do not require shipment of a deliverable, submit either the Invoice 2in1, which meets the requirements for the invoice and receiving report, or the applicable invoice and receiving report, as specified by the Contracting Officer.

(Contracting Officer: Insert either “Invoice 2in1” or the applicable invoice and receiving report document type(s) for fixed price line items for services.)

(iii) For customary progress payments based on costs incurred, submit a progress payment request.

(iv) For performance based payments, submit a performance based payment request.

(v) For commercial financing, submit a commercial financing request.

(2) Fast Pay requests are only permitted when Federal Acquisition Regulation (FAR) 52.213-1 is included in the contract.

(f) [Note: The Contractor may use a WAWF “combo” document type to create some combinations of invoice and receiving report in one step.]

(3) Document routing. The Contractor shall use the information in the Routing Data Table below only to fill in applicable fields in WAWF when creating payment requests and receiving reports in the system.

- 252.215-7008** **ONLY ONE OFFER** (DEC 2022)
(IAW DFARS 215.408(3))
- (a) Cost or pricing data requirements. After initial submission of offers, if the Contracting Officer notifies the Offeror that only one offer was received, the Offeror agrees to—
- (1) Submit any additional cost or pricing data that is required in order to determine whether the price is fair and reasonable or to comply with the statutory requirement for certified cost or pricing data (10 U.S.C. 2306a and FAR 15.403-3); and
 - (2) Except as provided in paragraph (b) of this provision, if the acquisition exceeds the certified cost or pricing data threshold and an exception to the requirement for certified cost or pricing data at FAR 15.403-1(b)(2) through (5) does not apply, certify all cost or pricing data in accordance with paragraph (c) of DFARS provision 252.215-7010, Requirements for Certified Cost or Pricing Data and Data Other Than Certified Cost or Pricing Data, of this solicitation.
- (b) Canadian Commercial Corporation. If the Offeror is the Canadian Commercial Corporation, certified cost or pricing data are not required. If the Contracting Officer notifies the Canadian Commercial Corporation that additional data other than certified cost or pricing data are required in accordance with DFARS 225.870-4(c), the Canadian Commercial Corporation shall obtain and provide the following:
- (1) Profit rate or fee (as applicable).
 - (2) Analysis provided by Public Works and Government Services Canada to the Canadian Commercial Corporation to determine a fair and reasonable price (comparable to the analysis required at FAR 15.404-1).
 - (3) Data other than certified cost or pricing data necessary to permit a determination by the U.S. Contracting Officer that the proposed price is fair and reasonable [U.S. Contracting Officer to provide description of the data required in accordance with FAR 15.403-3(a)(1) with the notification].
 - (4) As specified in FAR 15.403-3(a)(4), an offeror who does not comply with a requirement to submit data that the U.S. Contracting Officer has deemed necessary to determine price reasonableness or cost realism is ineligible for award unless the head of the contracting activity determines that it is in the best interest of the Government to make the award to that offeror.
- (c) Subcontracts. Unless the Offeror is the Canadian Commercial Corporation, the Offeror shall insert the substance of this provision, including this paragraph (c), in all subcontracts exceeding the simplified acquisition threshold defined in FAR part 2.

52.204-24	REPRESENTATION REGARDING CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT (NOV 2021) (IAW FAR 4.2105(a))

The Offeror shall not complete the representation at paragraph (d)(1) of this provision if the Offeror has represented that it “does not provide covered telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument” in paragraph (c)(1) in the provision at 52.204–26, Covered Telecommunications Equipment or Services—Representation, or in paragraph (v)(2)(i) of the provision at 52.212–3, Offeror Representations and Certifications—Commercial Products and Commercial Services. The Offeror shall not complete the representation in paragraph (d)(2) of this provision if the Offeror has represented that it “does not use covered telecommunications equipment or services, or any equipment, system, or service that uses covered telecommunications equipment or services” in paragraph (c)(2) of the provision at 52.204–26, or in paragraph (v)(2)(ii) of the provision at 52.212–3.

(a) *Definitions.* As used in this provision-

Backhaul, covered telecommunications equipment or services, critical technology, interconnection arrangements, reasonable inquiry, roaming, and substantial or essential component have the meanings provided in the clause 52.204-25, Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment.

(b) *Prohibition.* (1) Section 889(a)(1)(A) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2019, from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. Nothing in the prohibition shall be construed to—

(i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(2) Section 889(a)(1)(B) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2020, from entering into a contract or extending or renewing a contract with an entity that uses any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. This prohibition applies to the use of covered telecommunications equipment or services, regardless of whether that use is in performance of work under a Federal contract. Nothing in the prohibition shall be construed to—

(i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(c) *Procedures.* The Offeror shall review the list of excluded parties in the System for Award Management (SAM) (<https://www.sam.gov>) for entities excluded from receiving federal awards for “covered telecommunications equipment or services.”

(d) *Representations.* The Offeror represents that—

(1) It ☐ will, ☐ will not provide covered telecommunications equipment or services to the Government in the performance of any contract, subcontract or other contractual instrument resulting from this solicitation. The Offeror shall provide the additional disclosure information required at paragraph (e)(1) of this section if the Offeror responds “will” in paragraph (d)(1) of this section; and

(2) After conducting a reasonable inquiry, for purposes of this representation, the Offeror represents that—

It ☐ does, ☐ does not use covered telecommunications equipment or services, or use any equipment, system, or service that uses covered telecommunications equipment or services. The Offeror shall provide the additional disclosure information required at paragraph (e)(2) of this section if the Offeror responds “does” in paragraph (d)(2) of this section.

(e) *Disclosures.* (1) Disclosure for the representation in paragraph (d)(1) of this provision. If the Offeror has responded “will” in the representation in paragraph (d)(1) of this provision, the Offeror shall provide the following information as part of the offer:

(i) For covered equipment—

(A) The entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the original equipment manufacturer (OEM) or a distributor, if known);

(B) A description of all covered telecommunications equipment offered (include brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); and

(C) Explanation of the proposed use of covered telecommunications equipment and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(1) of this provision.

(ii) For covered services—

(A) If the service is related to item maintenance: A description of all covered telecommunications services offered (include on the item being maintained: Brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); or

(B) If not associated with maintenance, the Product Service Code (PSC) of the service being provided; and explanation of the proposed use of covered telecommunications services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(1) of this provision.

(2) Disclosure for the representation in paragraph (d)(2) of this provision. If the Offeror has responded “does” in the representation in paragraph (d)(2) of this provision, the Offeror shall provide the following information as part of the offer:

(i) For covered equipment—

(A) The entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known);

(B) A description of all covered telecommunications equipment offered (include brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); and

(C) Explanation of the proposed use of covered telecommunications equipment and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(2) of this provision.

(ii) For covered services—

(A) If the service is related to item maintenance: A description of all covered telecommunications services offered (include on the item being maintained: Brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); or

(B) If not associated with maintenance, the PSC of the service being provided; and explanation of the proposed use of covered telecommunications services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(2) of this provision.

**52.204-26 COVERED TELECOMMUNICATIONS EQUIPMENT OR SERVICES -
REPRESENTATION (OCT 2020)**
(IAW FAR 4.2105(c))

(a) *Definitions.* As used in this provision, “covered telecommunications equipment or services” and “reasonable inquiry” have the meaning provided in the clause 52.204-25, Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment.

(b) *Procedures.* The Offeror shall review the list of excluded parties in the System for Award Management (SAM) (<https://www.sam.gov>) for entities excluded from receiving federal awards for “covered telecommunications equipment or services”.

(c) *Representations.*

(1) The Offeror represents that it [] does, [] does not provide covered telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument.

(2) After conducting a reasonable inquiry for purposes of this representation, the offeror represents that it [] does, [] does not use covered telecommunications equipment or services, or any equipment, system, or service that uses covered telecommunications equipment or services.

(a) *Definitions.* As used in this provision, covered defense telecommunications equipment or services has the meaning provided in the clause 252.204–7018, Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services.

(b) *Procedures.* The Offeror shall review the list of excluded parties in the System for Award Management (SAM) ([https:// www.sam.gov](https://www.sam.gov)) for entities excluded from receiving federal awards for “covered defense telecommunications equipment or services”.

(c) *Representation.* The Offeror represents that it [] does, [] does not provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument.

252.204-7017

**PROHIBITION ON THE ACQUISITION OF COVERED DEFENSE
TELECOMMUNICATIONS EQUIPMENT OR SERVICES--REPRESENTATION**

(MAY 2021)

(IAW DFARS 204.2105(b))

The Offeror is not required to complete the representation in this provision if the Offeror has represented in the provision at 252.204–7016, Covered Defense Telecommunications Equipment or Services—Representation, that it “does not provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument.”

(a) Definitions. Covered defense telecommunications equipment or services, covered mission, critical technology, and substantial or essential component, as used in this provision, have the meanings given in the 252.204–7018 clause, Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services, of this solicitation.

(b) Prohibition. Section 1656 of the National Defense Authorization Act for Fiscal Year 2018 (Pub. L. 115–91) prohibits agencies from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) Procedures. The Offeror shall review the list of excluded parties in the System for Award Management (SAM) at [https:// www.sam.gov](https://www.sam.gov) for entities that are excluded when providing any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless a waiver is granted.

(d) Representation. If in its annual representations and certifications in SAM the Offeror has represented in paragraph (c) of the provision at 252.204–7016, Covered Defense Telecommunications Equipment or Services—Representation, that it “does” provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument, then the Offeror shall complete the following additional representation:

The Offeror represents that it [] will [] will not provide covered defense telecommunications equipment or services as a part of its offered products or services to DoD in the performance of any award resulting from this solicitation.

(e) Disclosures. If the Offeror has represented in paragraph (d) of this provision that it “will provide covered defense telecommunications equipment or services,” the Offeror shall provide the following information as part of the offer:

(1) A description of all covered defense telecommunications equipment and services offered (include brand or manufacturer; product, such as model number, original equipment manufacturer (OEM) number, manufacturer part number, or wholesaler number; and item description, as applicable).

(2) An explanation of the proposed use of covered defense telecommunications equipment and services and any factors relevant to determining if such use would be permissible under the prohibition referenced in paragraph (b) of this provision.

(3) For services, the entity providing the covered defense telecommunications services (include entity name, unique entity identifier, and Commercial and Government Entity (CAGE) code, if known).

(4) For equipment, the entity that produced or provided the covered defense telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known).

252.204-7019

NOTICE OF NIST SP 800-171 DOD ASSESSMENT REQUIREMENTS
(NOV 2023)
(IAW DFARS 204.7304(d))

(a) *Definitions.*

“Basic Assessment”, “Medium Assessment”, and “High Assessment” have the meaning given in the clause 252.204-7020, NIST SP 800-171 DoD Assessments.

“Covered contractor information system” has the meaning given in the clause 252.204-7012, Safeguarding Covered Defense Information and Cyber Incident Reporting, of this solicitation.

(b) Requirement. In order to be considered for award, if the Offeror is required to implement NIST SP 800-171, the Offeror shall have a current assessment (i.e., not more than 3 years old unless a lesser time is specified in the solicitation) (see 252.204-7020) for each covered contractor information system that is relevant to the offer, contract, task order, or delivery order. The Basic, Medium, and High NIST SP 800-171 DoD Assessments are described in the NIST SP 800-171 DoD Assessment Methodology located at <https://www.acq.osd.mil/asda/dpc/cp/cyber/safeguarding.html#nistSP800171>

(c) *Procedures.*

1. The Offeror shall verify that summary level scores of a current NIST SP 800-171 DoD Assessment (i.e., not more than 3 years old unless a lesser time is specified in the solicitation) are posted in the Supplier Performance Risk System (SPRS) (<https://www.sprs.csd.disa.mil/>) for all covered contractor information systems relevant to the offer.

(2) If the Offeror does not have summary level scores of a current NIST SP 800-171 DoD Assessment (i.e., not more than 3 years old unless a lesser time is specified in the solicitation) posted in SPRS, the Offeror may conduct and submit a Basic Assessment to webptsmh@navy.mil for posting to SPRS in the format identified in paragraph (d) of this provision.

(d) *Summary level scores.* Summary level scores for all assessments will be posted 30 days post-assessment in SPRS to provide DoD Components visibility into the summary level scores of strategic assessments.

(1) *Basic Assessments.* An Offeror may follow the procedures in paragraph (c)(2) of this provision for posting Basic Assessments to SPRS.

(i) The email shall include the following information:

(A) Cybersecurity standard assessed (e.g., NIST SP 800-171 Rev 1).

(B) Organization conducting the assessment (e.g., Contractor self-assessment).

(C) For each system security plan (security requirement 3.12.4) supporting the performance of a DoD contract—

(1) All industry Commercial and Government Entity (CAGE) code(s) associated with the information system(s) addressed by the system security plan; and

(2) A brief description of the system security plan architecture, if more than one plan exists.

(D) Date the assessment was completed.

(E) Summary level score (e.g., 95 out of 110, NOT the individual value for each requirement).

(F) Date that all requirements are expected to be implemented (i.e., a score of 110 is expected to be achieved) based on information gathered from associated plan(s) of action developed in accordance with NIST SP 800-171.

(ii) If multiple system security plans are addressed in the email described at paragraph (d)(1)(i) of this section, the Offeror shall use the following format for the report:

System Security Plan	CAGE Codes supported by this plan	Brief description of the plan architecture	Date of assessment	Total Score	Date score of 110 will be achieved

(2) *Medium and High Assessments.* DoD will post the following Medium and/or High Assessment summary level scores to SPRS for each system assessed:

- (i) The standard assessed (e.g., NIST SP 800-171 Rev 1).
- (ii) Organization conducting the assessment, e.g., DCMA, or a specific organization (identified by Department of Defense Activity Address Code (DoDAAC)).
- (iii) All industry CAGE code(s) associated with the information system(s) addressed by the system security plan.
- (iv) A brief description of the system security plan architecture, if more than one system security plan exists.
- (v) Date and level of the assessment, i.e., medium or high.
- (vi) Summary level score (e.g., 105 out of 110, not the individual value assigned for each requirement).
- (vii) Date that all requirements are expected to be implemented (i.e., a score of 110 is expected to be achieved) based on information gathered from associated plan(s) of action developed in accordance with NIST SP 800-171.

(3) *Accessibility.*

- (i) Assessment summary level scores posted in SPRS are available to DoD personnel, and are protected, in accordance with the standards set forth in DoD Instruction 5000.79, Defense-wide Sharing and Use of Supplier and Product Performance Information (PI).
- (ii) Authorized representatives of the Offeror for which the assessment was conducted may access SPRS to view their own summary level scores, in accordance with the SPRS Software User's Guide for Awardees/Contractors available at [\[redacted\]](#).
- (iii) A High NIST SP 800-171 DoD Assessment may result in documentation in addition to that listed in this section. DoD will retain and protect any such documentation as "Controlled Unclassified Information (CUI)" and intended for internal DoD use only. The information will be protected against unauthorized use and release, including through the exercise of applicable exemptions under the Freedom of Information Act (e.g., Exemption 4 covers trade secrets and commercial or financial information obtained from a contractor that is privileged or confidential).

52.207-4 ECONOMIC PURCHASE QUANTITY--SUPPLIES (AUG 1987)
(IAW FAR 7.203)

(a) Offerors are invited to state an opinion on whether the quantity(ies) of supplies on which bids, proposals or quotes are requested in this solicitation is (are) economically advantageous to the Government.

(b) Each offeror who believes that acquisitions in different quantities would be more advantageous is invited to recommend an economic purchase quantity. If different quantities are recommended, a total and a unit price must be quoted for applicable items. An economic purchase quantity is that quantity at which a significant price break occurs. If there are significant price breaks at different quantity points, this information is desired as well.

- (1) It is ☐ is not ☐ a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability; and
- (2) It is ☐ is not ☐ a corporation that was convicted of a felony criminal violation under a Federal law within the preceding 24 months.

52.212-1 INSTRUCTIONS TO OFFERORS--COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES (SEP 2023)
(IAW FAR 12.301(b)(1))

52.212-1 Addendum – Instructions to Offerors
AFSC/PZAAA
TF33 1st Stage Compressor Blades MAC IDIQ

1.0 Program Structure and Objective

The Government intends to award basic IDIQ repair contracts that will be primarily Firm-Fixed Price (FFP) to all sources that are qualified via the SAR process on the NSNs stated in the associated Performance Work Statement (PWS). The TF33 Compressor Blades MAC IDIQs will include a 2-year

basic period and three 1-year options. The MAC will have a five-year period of performance (maximum), meaning Task Orders (TO's) can be issued under this contract for a maximum of 5 years. Each order will have its own Period of Performance. The TF33 Compressor Blades MAC supports the requirements for the 421st GUME. The Government intends to evaluate offers and award without discussions with offerors. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary.

Budget/Funding Information

Funding will be obligated on each task or delivery order under the basic contracts.

2.0 General Instructions

2.1 This section of the Instructions to Offerors (ITO) provides general guidance for preparing proposals as well as specific instructions on the format and content of the proposal. The Offeror's proposal must include all data and information requested by the ITO and must be submitted In Accordance With (IAW) these instructions and with all required solicitation and clause fill-in data. Any Offeror who submits an incomplete package may be considered ineligible for award. The offer shall be compliant with the requirements as stated in the Performance Work Statement (PWS). Non-conformance with the instructions provided in the ITO may result in an unfavorable proposal evaluation. Offerors shall provide evidence of qualification in accordance with FAR 52.209-1.

2.1.2 The proposal shall be clear, concise, and shall include sufficient detail for effective evaluation and for substantiating the validity of stated claims. The Government will evaluate your proposal solely with the information you provide. Offerors shall assume that the Government has no prior knowledge of their Source Approval and experience, and that the Government will base its evaluation on the information presented in the offeror's proposal.

2.1.3 Elaborate brochures or documentation, detailed artwork, or other embellishments are unnecessary and are not desired.

2.1.4 The proposal acceptance period is specified in the front page note of the SF 1449 Section A of the contract/solicitation. By signing the Request for Proposal (RFP), the offeror has made a clear statement that the proposal is valid until the date specified.

2.1.5 In accordance with FAR Subpart 4.8 (Government Contract Files), the Government will retain one copy of all unsuccessful proposals.

2.2 General Information

2.2.1 Point of Contact

The Contracting Officer (CO) William Heckenkemper and Contracting Specialist (CS) Savannah Mincey are the sole points of contact for this acquisition. Address any questions or concerns you may have to the CO. Written requests for clarification may be sent to the CO and CS at the address located in SF 1449 Section A (Block 9) of the contract/solicitation.

2.3 Communications

Exchanges of source selection information between the Government and Offerors will be controlled by the CO. Email (encrypted when possible or with password protected attachments) may be used to transmit such information to Offerors only if the email can be sent and received encrypted and includes "Source Selection Information – See FAR 2.101 and 3.104 – Controlled Unclassified Information (CUI) in the Subject Line. Otherwise, source selection information will be transmitted via DoD SAFE (<https://safe.apps.mil/>).

2.4 Discrepancies

If an offeror believes that the requirements in these instructions contain an error, omission, or are

otherwise unsound, the offeror shall immediately notify the CO in writing with supporting rationale, as well as the remedies the Offerors are asking the CO to consider as related to the omission or error. The offeror is reminded that the Government reserves the right, and it is the Government's intent, to award this effort based on the initial proposal, as received, without discussions. This reservation includes matters of additional or substitute pages of the initial proposal. However, the Government reserves the right to hold discussions if deemed necessary.

2.5 Electronic Reference Documents

All referenced documents for this solicitation are available on the SAM.gov website (www.sam.gov). Potential Offerors are encouraged to subscribe for real-time email notifications when information has been posted to the website for this solicitation.

2.5.1 Submission, Modification, Revision, and Withdrawal of Proposals

Proposals and modifications to proposals shall be submitted electronically via email, or DoDSAFE if size demands, and addressed to the CO and CS at the addresses shown below, and showing the time and date specified for receipt, the solicitation number, and the name and address of the Offeror.

CO - william.heckenkemper@us.af.mil

CS - savannah.mincey@us.af.mil

2.5.2 Electronic Offers

The Offeror shall submit the proposal electronically via email or DoDSAFE, if size demands, to:
AFSC/PZAAA: ATTN: CO – William Heckenkemper and CS – Savannah Mincey

william.heckenkemper@us.af.mil

savannah.mincey@us.af.mil

The Offeror is cautioned that the Government has limited capability to receive email attachments in large file sizes. The Offeror should consider submitting the proposal through multiple separate emails. To be considered timely, the entire proposal must be received by the Government prior to the due date and closing time specified in the RFP or the Offeror will be ineligible for award. The electronic copies of the proposal shall be submitted in a format readable by Microsoft (MS) Word 365, MS Excel 365, and Adobe PDF. Note PDF files must be searchable and able to copy and paste. For amendment purposes to the proposal, the "original" proposal shall be clearly identified

2.6 Amendments to the solicitation

If this solicitation is amended, all terms and conditions that are not amended remain unchanged and in full force and effect. Offerors shall acknowledge receipt of any amendment and provide confirmation upon submission of the offeror's proposal. Any unacknowledged amendments in the offeror's proposal are subject to solicitation provision FAR 52.212-1(f).

2.7. Debriefings

The CO will promptly notify offerors of any decision to exclude them from the competitive range, whereupon they may request and receive a debriefing in accordance with FAR 15.505. Offerors excluded from the competitive range may request a pre-award debriefing, or they may choose to wait until after the source selection decision to request a post-award debriefing. However, offerors excluded from the competitive range are entitled to no more than one debriefing for each proposal. The CO will notify unsuccessful offerors in accordance with FAR 15.503. Upon such notification, unsuccessful offerors may request and receive a debriefing. Offerors desiring a debriefing must make their request in accordance with the requirements of FAR 15.505 or 15.506, as applicable.

3.0 Factor 1 - Technical

3.1. The Technical proposal should be specific and complete. Legibility, clarity and coherence are very important. Your responses will be evaluated against Technical Factor defined in Addendum to FAR 52.212-2, Evaluation Factors for Award. Offerors shall assume that the government has no prior

knowledge of their Source Approval and will base its evaluation on the information presented in the proposal. All the requirements specified in the solicitation are mandatory. By your proposal submission, you are representing that your firm will perform all the requirements specified in the solicitation. It is neither necessary nor desirable for you to tell us so in your technical proposal. The technical proposal should only address the requirements listed below. Do not merely reiterate the objectives or reformulate the requirements specified in the solicitation.

3.2 Format and Specific Content

3.2.1 Technical

The technical proposal shall include all necessary information to show current Source Approval.

3.2.2 Technical Documents

The contractor shall provide Proof of Government SAR package approval.

3.2.3 Qualification Requirements

Sources must be qualified prior to being considered for award. To be eligible for contract award, the offeror must be an approved source IAW FAR 52.209-1, Qualification Requirements. The Government is not required to delay contract award to review pending Source Approval Requests (SARs). Therefore, offerors are encouraged to submit SARs as soon as possible. If the Government has not completed review of a SAR when the contract is awarded, the SAR will be retained, and the source will be reviewed as a possible source to on-ramp to the IDIQ contract.

SARs for REPAIR must follow requirements per RQR-1-T56 Rev.1

A Source Approval Request (SAR) package must be submitted to the Tinker AFB Small Business Office for approval determination. The company must have manufactured or repaired the subject or similar item within the past 36 months IAW the available technical data or have completed a re-substantiation package.

3.2.4 SAR Process

For Questions regarding the Tinker SAR Process or related issues, these inquiries should be submitted to the AFSC Small Business Office at: AFSC/SB 3001 Staff Drive, Suite 1AG 85A Tinker AFB, OK 73145-3009 Email: afsc.sb.workflow@us.af.mil Website: <https://www.afsc.af.mil/units/sbo/index.asp>.

3.2.5 SAR Package Submission

The SAR Package submission shall be submitted electronically through DoD SAFE <https://safe.apps.mil/>. DoD SAFE is a safe and secure option for large file submissions. If you have a PKI Certificate, the SAR can be sent directly to the POC email addresses below via DoD SAFE. If you do not have a PKI Certificate, then you must send a standard email message to POC Ms. Amy Livengood (amy.livengood@us.af.mil) or 429SCMS.SASPO.Workflow@us.af.mil and ask that they "Request a Drop-Off" to your email address via DoD SAFE, which will enable you to be able to Upload the SAR Submission Package documents to DoD SAFE.

3.3 Proposal Preparation Instructions

3.3.1 This portion of the addendum provides general guidance for preparing proposals, as well as specific instructions on the format and content of the proposal. Offerors are required to submit one proposal with sufficient information concerning all factors to enable the Government personnel to fully ascertain the offeror's capabilities to perform the requirements. The offeror's proposal must include all data and information requested by Instructions to Offerors (ITO) and must be submitted IAW these instructions. Any offeror who submits an incomplete package may be considered ineligible for award. The offer shall be compliant with the requirements as stated in the Performance Work Statement (PWS) and appendices. Offerors are required to meet all RFP requirements, including terms and conditions, representations and certifications, and technical requirements, in addition to those identified as evaluation factors. Alternate proposals are not acceptable. Compliance with the ITO instructions is critical; non-compliance could negatively impact the evaluation and may result in the proposal being deemed un-

awardable.

3.3.2 Should there be any discrepancies between the proposal and the PWS, the PWS will take precedence.

3.3.3 Electronic Copy, Proposal Submission

Submission of proposals, modifications, revisions and withdrawal of proposals shall be submitted electronically via email or DoD Safe.

3.3.4 Deadlines

Offerors are required to submit a complete proposal by the date and time in the RFP posting. Failure to submit a complete proposal by the deadline may result in the proposal not being accepted.

3.3.5 Legible Tables, Charts and Graphs

Legible tables, charts, graphs and figures shall be used wherever practical, to depict organizations, systems, and layout, implementation schedules, plans, etc. These displays shall be uncomplicated and shall not exceed 11 x 17 inches in size. For these displays, the text shall be no smaller than 10-point.

4.0 Offeror Company Information/Cover Letter

4.1 The Offeror shall provide a Cover Letter with all of the following company information: Name, street address, county, country, facility code(s) CAGE Code(s), Unique Entity Identification Number(s) (UEI), System for Award Management (SAM.gov) registration date, and business size (other than small or small, to include any socioeconomic categories).

4.1.1 (C) Unique entity identifier. (Applies to all offers that exceed the micro-purchase threshold, and offers at or below the micro-purchase threshold if the solicitation requires the Contractor to be registered in the System for Award Management (SAM).) The Offeror shall enter the block with its name and address on the cover page of its offer, the annotation "Unique Entity Identifier" followed by the unique entity identifier that identifies the Offeror's name and address. The Offeror also shall enter its Electronic Funds Transfer (EFT) indicator, if applicable. The EFT indicator is a four-character suffix to the unique entity identifier. The suffix is assigned at the discretion of the Offeror to establish additional SAM records for identifying alternative EFT accounts (see FAR subpart 32.11) for the same entity. If the Offeror does not have a unique entity identifier, it should contact the entity designated at www.sam.gov for unique entity identifier establishment directly to obtain one. The Offeror should indicate that it is an offeror for a Government contract when contacting the entity designated at www.sam.gov for establishing the unique entity identifier.

4.2 The Offeror shall identify if they are a Small Business under the North American Industry Classification System (NAICS) 336412, Aircraft Engine and Engine Parts Manufacturing. This NAICS has a Small Business Size Standard of 1,500 employees.

4.3 Offerors shall identify if they are submitting a proposal as a Joint Venture (JV). The JV partners shall be identified. Offerors shall include a copy of the JV partnership agreement as an attachment. Offerors may only submit one proposal as either a prime or member of a JV.

4.4 Organizational Structure/Change History

Many companies have acquired, been acquired by, or otherwise merged with other companies, and/or reorganized their divisions, business groups, subsidiary companies, etc. To assist the Government, include a "roadmap" describing all such changes in the organization of your company.

4.5 Team/List Authorized Offeror Personnel

Provide a Team List of the Offeror's primary Point of Contacts with the name(s), title(s), email(s), and telephone number(s) of the company/division personnel authorized to negotiate with the Government and who can obligate your company contractually. Contracting and Technical POCs (name, email address,

and phone number) shall also be provided.

5.0 Contract Documentation

5.1 Model Contract/Representations and Certifications

The purpose of this volume is to provide information to the Government for preparing the contract document and supporting file. The offeror's proposal shall include a signed copy of the Model Contract, and Sections A through K.

5.1.1 Solicitation/Contract Form SF 1449

The offeror shall complete Blocks 17a and 30a-c of the SF1449. Signature by the offeror on the SF1449 constitutes an offer, which the Government may accept. Proposals must be received no later than the date and time specified in Block 8 on the face page of this RFP. The rules regarding the timeliness of proposal submissions and modifications to proposals will be handled IAW FAR 15.208.

5.2. Contract Clauses

The offeror shall complete provisions/clauses included in and as required in the solicitation.

5.2.1 Supplier Performance Risk System (SPRS) NIST SP 800-171 DoD Assessment

DFARS 252.204.7303(b) states that the contracting officer shall verify that the summary level score of a current NIST SP 800-171 DoD Assessment (i.e., not more than 3 years old, unless a lesser time is specified in the RFP) for each covered contractor information system that is relevant to an offer, contract, task order, or delivery order are posted in Supplier Performance Risk System (SPRS). Offerors are required to represent they will implement National Institute of Standards and Technology (NIST) Special Publication (SP) 800-171 SP 800-171 (reference the provision DFARS 252.204-7008). A score of 110 must be in SPRS, if assessment score is less than 110, a contractor shall submit a plan to become compliant prior to contract award.

5.3. Representations, Certifications, and other Statements of Offerors

The Offeror has completed the annual representations and certifications electronically via the System for Award Management (SAM). After reviewing the SAM database information, the Offeror verifies by submission of this offer that the representations and certifications currently posted electronically at FAR 52.212-3, Annual Representations and Certifications, are correct.

5.4. Exceptions to Solicitation Requirements

Offerors are required to meet all solicitation requirements, such as terms and conditions, representations and certifications, and technical requirements, in addition to those identified as evaluation factors or subfactors. Failure to meet a requirement may result in an offer being ineligible for award. Offerors must clearly identify any exception to the solicitation terms and conditions and provide complete accompanying rationale. Each exception shall be specifically related to each paragraph and/or specific part of the solicitation to which the exception is taken. Provide rationale in support of the exception and fully explain its impact, if any, on the performance, schedule, cost, and specific requirements of the solicitation. This information shall be provided in the format and content of Table 5.2. Offerors are cautioned the Government could determine any identified exceptions to be unacceptable, which would make the proposal ineligible for award.

6. Other Information Required

6.1. Ombudsman

An Ombudsman has been appointed to hear concerns from offerors or potential offerors during the proposal development phase of this acquisition. The Ombudsman for this acquisition is OC-ALC/PZC. This does not diminish the authority of the program director or CO, but communicates offeror concerns, issues, disagreements and recommendations to the appropriate Government personnel. When requested, the Ombudsman shall maintain strict confidentiality as to the source of the concern. The Ombudsman does not participate in the evaluation of proposals or in the source selection process; interested parties are invited to call OC-ALC/PZC at 405-736-3273.

6.1.1 Authorized Offeror Personnel

Provide the name, title, and telephone number of the company/division point of contact regarding decisions made with respect to your proposal and who can obligate your company contractually. Also, identify those individuals authorized to negotiate with the Government.

6.1.2 Government Offices

Provide the mailing address, telephone and fax numbers and facility codes for the cognizant Contract Administration Office, DCAA, and Government Paying Office. Also, provide the name and telephone and fax number for the Administrative Contracting Officer (ACO).

6.1.3 Company/Division Address, Identifying Codes, and Applicable Designations

Provide company/division's street address, county and facility code; CAGE code; DUNS code; TIN; size of business (large or small); and labor surplus area designation. This same information must be provided if the work for this contract will be performed at any other location(s). List all locations where work is to be performed and indicate whether such facility is a division, affiliate, or subcontractor, and the percentage of work to be performed at each location.

6.1.4 Attachments to the Model Contract

The offeror shall provide the following, as attachments to the model contract:

Subcontracting Plan – As part of the terms and conditions of the solicitation requirement, Offerors are required to submit a Subcontracting Plan IAW Federal Acquisition Regulation (FAR) 52.219-9 and Defense Federal Acquisition Regulation Supplement (DFARS) 252.219-7003 or 252.219-7004).

Supply Chain Risk Management Plan (SCRM) - As part of the terms and conditions of the solicitation requirements, Offerors are required to submit a Supply Chain Risk Management (SCRM) Plan in accordance with PWS Section 18.0 to include subparagraphs 18.1-18.3.

Failure to include Subcontracting Plan and the Supply Chain Risk Management Plan as part of your initial proposal will or may deem your proposal ineligible for award.

52.212-2 Addendum - Evaluation Factors for Award

AFSC/PZAAA

TF33 MAC IDIQ

1.0 Only General Information

1.1 Basis for Contract Award

This competitive acquisition will utilize Technical as the only evaluated factor. To be eligible for award, the offeror must be an approved source IAW FAR 52.209-1, Qualification Requirements. Approved sources that are determined responsible and meet the requirements detailed in the solicitation and Instructions to Offerors (ITO) will be selected for contract award. Moreover, contract award will be made to responsible offerors in accordance with FAR Part 9, as supplemented, whose proposal conforms to the solicitation's requirements (to include all stated terms, conditions, representations, certifications and other information required by FAR 52.212-1 and its Addendum of this solicitation), who have submitted a complete proposal, and are SAR approved by the United States Air Force (USAF). The Government reserves the right to award without discussions. However, the Government reserves the right to conduct discussions if determined necessary by the Contracting Officer.

1.1.1. The SSA will base the source selection decision on an integrated assessment of proposals against all source selection criteria in the solicitation (described below). While the Government will strive for maximum objectivity, the Source Selection process, by its nature, is subjective and, therefore, professional judgment is implicit throughout the entire process.

1.1.2. This source selection is conducted in accordance with Federal Acquisition Regulation (FAR) Part 15.3, Contracting by Negotiation, as supplemented by the Defense Federal Acquisition Regulation Supplement (DFARS), the Department of the Air Force Federal Acquisition Regulation Supplement (DAFFARS), DoD Source Selection Procedures 20 August 2022, and Department of the Air Force Mandatory Procedures 5315.3. These regulations are available electronically at <https://www.acquisition.gov>.

1.2 Solicitation Requirements (Terms and Conditions)

Offerors are required to meet all solicitation requirements, such as terms and conditions, representations and certifications, and Performance Work Statement (PWS) requirements, in addition to those identified as factors and subfactors. Failure to comply with the terms and conditions of the solicitation may result in the Offeror being ineligible for award. Offerors must clearly identify any exception to the solicitation terms and conditions and must provide complete supporting rationale. The Government reserves the right to determine any such exceptions unacceptable, and the proposal, therefore, ineligible for award.

Offerors are required to meet all solicitation requirements, such as terms and conditions, representations and certifications, and Performance Work Statement (PWS) requirements, in addition to those identified as factors and subfactors. Failure to comply with the terms and conditions of the solicitation may result in the Offeror being ineligible for award. Offerors must clearly identify any exception to the solicitation terms and conditions and must provide complete supporting rationale. The Government reserves the right to determine any such exceptions unacceptable, and the proposal, therefore, ineligible for award.

1.3 Number of Contracts to Be Awarded

The Government intends to award contracts to each Offeror that is technically acceptable by having an acceptable SAR approval per NSNs included in the PWS, and meets all terms and conditions of the solicitation to include providing required documents such as Subcontracting Plan and Supply Chain Risk Management Plan as stated in Section L Instructions to Offerors. The number of contracts to be awarded is not known at this time. The Government reserves the right not to award any contracts at all, depending on the quality of the proposals.

1.4 IDIQ Ceiling

The ceiling of the IDIQ is 8,880 sets. The total value of all task orders (TOs) awarded under the IDIQ will not exceed this amount.

1.5 Minimum Guaranteed Task Order

The minimum guaranteed order is 3 sets. This amount represents the total number of parts needed to fulfill IPE requirement under this IDIQ.

1.6 Discussions

The Government intends to award without discussions but reserves the right to conduct discussions if necessary. Therefore, it is imperative that Offerors submit their best proposal initially. However, if during the evaluation period it is determined to be in the best interest of the Government to hold discussions, the contracting officer may request, or allow offerors to provide, proposal revisions to clarify and document understandings reached during discussions. At the conclusion of discussions, each offeror shall be given an opportunity to submit a Final Proposal Revision (FPR.) The Request for FPR letter will include specific instructions on how offerors will submit FPRs.

1.7 Correction Potential of Proposals

The Government will consider throughout the evaluation, the correction potential of any proposal aspect evaluated as a deficiency. The correction potential shall be based on the amount and/or complexity of the corrections needed to meet Government requirements. If a deficiency is not considered correctible, or if the amount and/or complexity of the corrections needed to meet the Government requirement, requires a major proposal revision, the Offeror may be eliminated from the competitive range.

1.8 Competitive Range Determination

If discussions are conducted, the Government shall establish a competitive range comprised of the most highly rated proposals, in accordance with FAR 15.306(c). During the evaluation process multiple competitive range determinations may be made that eliminate Offerors from the competition IAW FAR 15.306(d)(5). The competitive range determination will be based on Factor 1 Technical. A competitive range determination may eliminate Offerors based on their initial proposal evaluation results, after discussions (if necessary), prior to issuance of the Final Proposal Revision (FPR) request, or for efficiency. If Offerors are excluded from the competitive range, they may request a debriefing IAW FAR 15.505 or 15.506.

1.9 Completeness

Proposals will be reviewed for completeness and compliance with FAR 52.212-1. Incomplete proposals will be considered ineligible for award. The below chart will be used in evaluating each proposal. No line item is more important than the other. All must be fulfilled to be considered an adequate proposal.

	Properly completed first page of the SF1449 with signature
	Completion of all contractor required self-attestation fill-in clauses
	Submittal of Subcontracting Plan as required
	Copy of SAR approval letter
	Timely submission via email to savannah.mincey@us.af.mil and william.heckenkemper@us.af.mil

1.10 Solicitation Requirements (Terms and Conditions)

Offerors are required to meet all solicitation requirements, such as terms and conditions, representations and certifications, and Performance Work Statement (PWS) requirements, in addition to those identified as factors and subfactors. Failure to comply with the terms and conditions of the solicitation may result in the Offeror being ineligible for award. Offerors must clearly identify any exception to the solicitation terms and conditions and must provide complete supporting rationale. The Government reserves the right to determine any such exceptions unacceptable, and the proposal, therefore, ineligible for award

2.0 Evaluation Factor

2.1 Evaluation factor used to evaluate each proposal:

Award will be made to Offerors who are considered **Acceptable** in **Factor 1 – Technical**.

To be determined Acceptable for Factor 1 – Technical:

Offeror must be an approved source IAW FAR 52.209-1, Qualification Requirements
If no certification is provided with the Offerors proposal, the Offeror will provide a written statement confirming the Offeror's Source Approval will be provided 15 business days prior to the SSA Decision brief. However, if no Source Approval certification is provided, the Offeror is ineligible for award at this time.

2.2 Evaluation Methodology:

Initial ratings will be established for each offeror. Only those offerors determined to be technically acceptable, either initially, or as a result of discussions will be considered for award. Award will be made to the proposal meeting the acceptability standards for Technical, who has been determined responsible IAW FAR Part 9, and whose proposal conforms to the solicitation requirements (to include all stated terms, conditions, representations, certifications, and all other information required by FAR 52.212-1 and its Addendum of this solicitation).

2.3 Factor 1 - Technical

The Technical evaluation will be based on each offeror's response in meeting the technical requirements listed above. Only those proposals determined to be technically **Acceptable**, either initially, or a result of discussions, will be considered for award. The technical ratings are defined as follows:

Rating	Description
Acceptable	Proposal meets the requirements of the solicitation.
Unacceptable	Proposal does not meet the requirements of the solicitation.

2.3.1 Technical Documents

The Government will assess the Offeror's provided: Source Approval documentation as listed above to ensure adherence to the ITO and Evaluation Criteria. If no source approval documentation is provided by the Offeror, the Offeror is considered **Unacceptable** and ineligible for award. The Government will assess the Offeror's Source Approval Certification to ensure it is current. If no certification is provided, the Government will then assess the Offeror's written statement confirming the Offeror's Source Approval certification will be provided 15 business days prior to the SSA Decision brief. The Government will assess whether the Offeror complied with FAR 52.209-1, Qualification Requirements. If no Source

Approval Certification is received and no written statement is provided by the Offeror, the Offeror is considered **Unacceptable** and ineligible for award.

2.4 Solicitation Requirements, Terms and Conditions

In addition to meeting the Technical Factor above, Offerors are required to meet all solicitation requirements, such as terms and conditions, representations and certifications.

2.4.1 Applicable clauses under Part II Section I and their representations, certifications of the solicitation shall be completed and comply with the Section L -Instructions to Offerors.

2.4.2 Proposals will be evaluated to ensure all solicitation requirements are met to include submittal of Subcontracting Plan and Supply Chain Risk Management Plan as stated in 52.212-1 – Instruction to Offerors. If an Offeror fails to comply with the solicitation requirements as required by addendums 52.212-1 and 52.212-2 of this RFP, they may be considered ineligible for award.

(a) Definitions. As used in this provision—

“Computer software” is defined in—

- (1) The 252.227-7014, Rights in Other Than Commercial Computer Software and Other Than Commercial Computer Software Documentation, clause of this solicitation; or
- (2) If this solicitation contemplates a contract under the Small Business Innovation Research Program or Small Business Technology Transfer Program, the 252.227-7018, Rights in Other Than Commercial Technical Data and Computer Software—Small Business Innovation Research Program and Small Business Technology Transfer Program, clause of this solicitation.

“SBIR/STTR data” is defined in the 252.227-7018, Rights in Other Than Commercial Technical Data and Computer Software—Small Business Innovation Research Program and Small Business Technology Transfer Program, clause of this solicitation.

“Technical data” is defined in—

- (1) The 252.227-7013, Rights in Technical Data—Other Than Commercial Products and Commercial Services, clause of this solicitation; or
- (2) If this solicitation contemplates a contract under the Small Business Innovation Research Program or Small Business Technology Transfer Program, the 252.227-7018, Rights in Other Than Commercial Technical Data and Computer Software—Small Business Innovation Research Program and Small Business Technology Transfer Program, clause of this solicitation.

(b) The identification and assertion requirements in this provision apply only to technical data, including computer software documentation, or computer software to be delivered with other than unlimited rights. For contracts to be awarded under the Small Business Innovation Research (SBIR) Program or Small Business Technology Transfer (STTR) Program, these requirements apply to SBIR/STTR data that will be generated under the resulting contract and will be delivered with SBIR/STTR data rights and to any other data that will be delivered with other than unlimited rights. Notification and identification are not required for restrictions based solely on copyright.

(c) Offers submitted in response to this solicitation shall identify, to the extent known at the time an offer is submitted to the Government, the technical data or computer software that the Offeror, its subcontractors or suppliers, or potential subcontractors or suppliers, assert should be furnished to the Government with restrictions on use, release, or disclosure.

(d) The Offeror's assertions, including the assertions of its subcontractors or suppliers or potential subcontractors or suppliers, shall be submitted as an attachment to its offer in the following format, dated and signed by an official authorized to contractually obligate the Offeror:

Identification and Assertion of Restrictions on the Government's Use, Release, or Disclosure of Technical Data or Computer Software.

The Offeror asserts for itself, or the persons identified below, that the Government's rights to use, release, or disclose the following technical data or computer software should be restricted:

Technical Data or Computer Software to be Furnished With Restrictions ¹ (LIST) ⁵	Basis for Assertion ² (LIST)	Asserted Rights Category ³ (LIST)	Name of Person Asserting Restrictions ⁴ (LIST)
--	---	--	--

¹For technical data (other than computer software documentation) pertaining to items, components, or processes developed at private expense, identify both the deliverable technical data and each such item, component, or process. For computer software or computer software documentation identify the software or documentation.

²Generally, development at private expense, either exclusively or partially, is the only basis for asserting restrictions. For technical data, other than computer software documentation, development refers to development of the item, component, or process to which the data pertain. The Government's rights in computer software documentation generally may not be restricted. For computer software, development refers to the software. Indicate whether development was accomplished exclusively or partially at private expense. If development was not accomplished at private expense, or for computer software documentation, enter the specific basis for asserting restrictions.

³Enter asserted rights category (e.g., government purpose license rights from a prior contract, rights in SBIR/STTR data generated under a contract resulting from this solicitation or under another contract, limited, restricted, or government purpose rights under a contract resulting from this solicitation or under a prior contract, or specially negotiated licenses).

⁴Corporation, individual, or other person, as appropriate.

⁵Enter “none” when all data or software will be submitted without restrictions.
