Question: We are seeking a brief clarification regarding the PPQ requirements (Attachment B). Could you please confirm whether the past performance of the proposed resource(s) may be used to satisfy the PPQ, in cases where the agency/company itself does not have directly applicable past performance?

Answer: Refer to Addendum to 52.212-2, Factor 2 Past Performance:

- Page 138. The Offeror shall submit no more than five (5) past performance references as part of the past performance submittal. as a result, will receive a "Neutral Confidence" rating for the Past Performance factor.

Question: We have come across this opportunity and see that Past Performance Questionnaires are required. We respectfully request that you consider allowing respondents to provide CPARS evaluations and /or previously completed PPQs in lieu of new PPQs. Our federal clients have been stretched thin given the current climate as

I'm sure you are aware. They have taken the time and effort to complete CPARS and PPQs in past and we feel that asking yet again puts an undue burden on them. Can you please consider our request?

If the PPQ is received from the Offeror the PPQ must contain an electronic signature from the PPQ Point of Contact (POC).
