10 U.S.C. 2304(c)(1). Application for brand name description FAR 6.302-1(c).

The Naval Surface Warfare Center Panama City Division (NSWC PCD) currently has a requirement for the item(s) listed in Paragraph 3 of this document. NSWC PCD has been tasked by 00C3 with performing an Analysis of Alternatives for open circuit regulators to support fleet diving through the Authorized for Navy Use (ANU). A Request For Information (RFI N61331-25-SN-Q37) was issued and several responses were received. The submissions were analyzed

and several of the responses have been deemed as possible solution, including this submission from Sherwood Scuba Group included. Purchase requests are being issued for further analysis and testing of hardware to those companies whose hardware appears to meet the minimum criteria. The regulators need to be purchased, in order to continue the effort.

As such, the Government does not expect significant savings through competition and does expect significant and unacceptable delays that will negatively impact this requirement. Therefore, it is in the Governments' best interest to acquire the Sherwood Scuba Group brand.

5. A determination by the ordering activity contracting officer that the order represents the best value consistent with FAR 13.106-1(b).

The Contracting Officer has determined that the order represents the best value and results in the lowest overall cost alternative (such as considering price, special features, administrative costs) to meet the Government's needs.

6. A description of the market research conducted among schedule holders and the results or a statement of the reason market research was not conducted.

For the reasons specified in paragraph 4 above, Sherwood Scuba Group is the only brand that can meet the Government's needs. [REDACTED]
[REDACTED]

7. Any other facts supporting the justification.

None.

8. A statement of the actions, if any, the agency may take to remove or overcome any barriers that led to the restricted consideration before any subsequent acquisition for the supplies or services is made.

As stated in paragraph 4 above, Sherwood Scuba Group is the only brand that can meet this requirement.
