CONTRACTOR BASE ACCESS

1.0 CONTRACTOR ACCESS TO MARINE CORPS INSTALLATION

1.1 Performance of this requirement requires access to Marine Corp Air Station (MCAS) Cherry Point. Contractor personnel shall follow all procedures for access to the Air Station in accordance with Air Station Order (ASO) 5560.6A, available at: <http://www.cherrypoint.marines.mil/Portals/86/Docs/Cherrypointorders/5560.6A.pdf?ver=2016-03-29-110019-410>.

Please note, due to the Real ID Act, some state driver's licenses will not be accepted without a second form of identification, like a passport.

1.2 Marine Corps Installations transition to new access control system

Marine Corps Installations across the region are transitioning to a new government-owned access control system called Defense Biometric Identification System (DBIDS). This new and enhanced system will replace RAPIDGate and MCESS for contractors and other non-DoD-affiliated personnel requiring installation access. DBIDS is already installed at more than 320 sites with over 5 million registered personnel and unlike previous systems, this one is a free service.

Current RAPIDGate or MCESS credentials can easily be switched out for a DBIDS credential and new contractors can apply for a DBIDS credential using the same vetting requirements as previously required. RAPIDGate/MCESS credentials will be honored until December 31, 2018. After this date, all contractors will be required to have a DBIDS credential in order to access MCAS Cherry Point. In order to reduce wait time when exchanging your RAPIDGate/MCESS credential, it is highly recommended each applicant pre-register at <https://dbids-global.dmdc.mil/enroll#!/>.

Here's what you need to know:

CURRENT DOD ID CARD HOLDERS

- If you currently hold a valid Common Access Card (CAC), dependent ID card, reserve ID card, or retiree ID card, issued by the Defense Enrollment Eligibility Reporting System (DEERS), no further action is required.
- You will be automatically enrolled in DBIDS when your ID card is initially scanned at the gate. Expect a one-time delay of 3-6 seconds as the DBIDS system initially registers your information.

CURRENT CONTRACTORS

- DBIDS credentials will be issued beginning September 24, 2018
- DBIDS credentials will be valid for the duration of your contract, not to exceed five years; however, re-vetting of individuals' information will occur each year.
- Contractors can exchange their current RAPIDGate/MCESS credential for a DBIDS credential without re-vetting; however, they will be required to bring the following items:

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined*. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment*. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples*.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).* [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).]

Section M - Evaluation Factors for Award

FAR Clauses Incorporated by Full Text

52.212-2 Evaluation-Commercial Products and Commercial Services.

(Nov 2021)

EVALUATION-COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES (NOV 2021)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

The award will be made using simplified acquisition procedures and the best value process. For this reason, the final award decision may be made to other than lowest priced or highest technically rated quote. To determine the best value a comparative assessment of the quoter's price, technical ability, and past performance will be conducted. [Contracting Officer shall insert the significant evaluation factors, such as (i) technical capability of the item offered to meet the Government requirement; (ii) price; (iii) past performance (see FAR 15.304); and include them in the relative order of importance of the evaluation factors, such as in descending order of importance.]

Technical and past performance, when combined, are N/A - FAR Part 13[Contracting Officer state, in accordance with FAR 15.304, the relative importance of all other evaluation factors, when combined, when compared to price.]

(b) *Options*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
