

This is a combined synopsis/solicitation for commercial items or commercial services prepared in accordance with the format in FAR subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; proposals are being requested and a written solicitation will not be issued. In accordance with FAR 5.203(b) this combined synopsis and solicitation will be posted for less than fifteen (15) days.

The request for Quotation (RFQ) number is N66604-26-Q-0076. This requirement is being solicited as a 100% small business set-aside as concurred with by the Naval Undersea Warfare Center Division, Newport (NUWCDIVNPT) Office of Small Business Programs (OSBP). The North American Industry Classification System (NAICS) Code for this acquisition is 332710- Machine Shops. The Small Business Size Standard is 500 Employees.

The Naval Undersea Warfare Center Division Newport (NUWCDIVNPT) intends to purchase on a Firm Fixed Price (FFP) the design, manufacture, and delivery of a custom tilter, in accordance with Government Statement of Work (SOW) supplied upon request via instructions below.

For the purposes of quoting this opportunity, the Contract Line-Item Number (CLIN) structure is identified below:

CLIN	ITEM DESCRIPTION	MINIMUM SPECIFICATIONS	QTY
0001	Custom Tilter	Custom designed piece of handling equipment designed and built in accordance with Government Statement of Work (SOW)	1
0002	Exhibit A, Contract Data Requirements Lists (CDRLs), provided as Attachment #1 to this notice (NOT SEPARATELY PRICED)	N/A	1

Delivery is F.O.B. Destination, Newport, RI. The Government's required delivery date is April 1, 2026.

Quotes should include a validity date of no less than 60 days from due date for receipt of offers.

Offerors shall include shipping cost into the unit price for each line above. A separate line for shipping will not be provided.

This requirement contains drawings that are designated Distribution D and Export Control which means distribution is authorized to the DOD and US DOD contractors with a valid Joint Certification Program (JCP) certification. Only Offerors with an active registration in JCP will be provided access to the drawings. Please visit <https://www.dla.mil/Logistics-Operations/Services/JCP/> for further details on the program and registration.

To obtain a copy of the drawings, submit a request by email to elizabeth.a.peckham2.civ@us.navy.mil and via SAM.gov. Request must be made by the company's certified JCP custodian and must include a copy of the company's DD2345, this solicitation #, company name, complete company address, CAGE code, point of contact, telephone number, and e-mail address.

This solicitation requires registration with the System for Award Management (SAM) prior to award, pursuant to applicable regulations and guidelines. Registration information can be found at www.sam.gov. Offerors shall include price, payment terms, delivery terms, and the following additional information with submissions: Offeror Point of Contact (including phone number and email address); Offeror CAGE Code; and Offeror SAM UEI.

The Government intends to award a single FFP purchase order to the eligible, responsible offeror whose quote is the lowest price technically acceptable. In order to be determined technically acceptable, the offeror must quote the required item in the required quantities and shall meet the Government's required technical specifications, per the following:

- The offeror shall submit a draft of the Conceptual Drawing Package for the Technical Data Package (TDP) in accordance with the CDRLs

The CMMC level required by this RFQ is: CMMC Level 2 (Self). This CMMC level, or higher (see 32 CFR part 170), is required prior to award for each contractor information system that will process, store, or transmit Federal contract information (FCI) or controlled unclassified information (CUI) during performance of the contract. See Provision 252.204-7025 and Clause 252.204-7021, included in this RFQ.

The Government will also consider past performance information on the Supplier Performance Risk System (SPRS) where negative information within SPRS may render a quote being deemed technically unacceptable.

If no surcharge is applicable, the Government's preferred method of payment is via credit card. Otherwise, Electronic Payment through Wide Area Workflow (WAWF) may be used. Please confirm if Government Purchase Card is an acceptable form of payment within the quotation. Include any applicable surcharge in the quotation.
