Stratford, Connecticut
06615-9129

Dear Team Sikorsky:

This letter Request for Quote (RFQ) is issued for the purpose of acquiring the item listed below:

PRON	QUANTITY	NOUN	NSN	PART NUMBER
AX6F2449AX	4	FIXTURE, AIRCRAFT MA	4920-01-192-1058	70700-20480-041

In reply, please reference Solicitation Number SPRRA1-26-Q-0009. The Government requests Sikorsky's best pricing and delivery terms for the NSN listed and based on the one time buy quantities list in above table.

The acquisition specialist and point of contact for this solicitation would like to draw your attention to some of the requirements of this solicitation along with information that will be detailed in the attachments:

- Contractor First Article Test Requirement in accordance with FAR 52.209-3 ALT I
- Item Unique Identification (IUID) required in accordance with FAR 252.211-7003(c)(1)(i)
- Systems Readiness Directorate (SRD) engineering and AMRDEC Mandated Clauses
- Identification of Requirement (IOR)
- Packaging Requirements
- Orientation On First Article Inspection

The price and delivery proposed may be negotiated upon closing of this solicitation. For non-commercial items exceeding the \$2,500,000 threshold, Certified Cost and Pricing Data must be submitted.

The proposal submission must include a simulated delivery schedule in Microsoft Project or Excel and based upon actual lead time/days after contract award until first delivery and subsequent manufacturing capacity.

Any prior and official waivers or exceptions granted by the government and applicable to these NSN's and solicitation that is cited in your response, must be included with the response.

The proposal cover letter must state that all the terms, conditions, and requirements of this RFP were read, fully understood, and totally accounted for by Sikorsky International INC; (Cage: 78286) in its original response to this RFP.

This correspondence constitutes a letter solicitation to award the NSN against Sikorsky BOA SPE4A1-22-G-0005. The terms and conditions of your proposal must be in accordance with those of the (BOA) agreement. This requirement has been advertised as a Contract Opportunity on the SAM.Gov website for viewing by the public. If another supplier indicates interest in responding to the requirement, as a result of viewing the synopsis, a formal solicitation will be issued to accommodate that supplier.

An expedient reply is requested. However, the closing date for the referenced solicitation is no later than the close of business on 19 February 2026. Please send your proposal in writing. If more time shall be needed, inform us in writing. Please submit your proposal for the NSN on the attached Identification of Requirement (IOR) list.

Please email a copy of your proposal to Timothy Tatum at timothy.tatum@dla.mil and Phyllis Carroll at phyllis.carroll@dla.mil.

Sincerely,

Phyllis Carroll
Contracting Officer
