(Signature of person authorized to sign)				(Signature of Contracting Officer)				

CONTINUATION SHEET

1. QUESTION: Do all the walls and ceilings get painted in the laundry room?

ANSWER: No, see A-101. There is no existing ceiling in the room. It is exposed to structure and structure currently painted white. We provided a ceiling paint spec for any new piping or conduit that runs up against the ceiling (P-2) or possibly for touchups. The 2 new partitions which enclose the dryer venting and the washer piping are to be painted to match the existing beige/light taupe walls (P-1).

2. QUESTION: Looking at drawing M-402, it shows an SG-1 grille, this grille is not listed in the air distribution schedule on drawing M-601. In order to price this grille, we will need to know what to provide. May this grille be added to the air distribution schedule so that we may know what to provide?

ANSWER: There is a typo in the air device schedule where TG-1 is supposed to say SG-1. For SG-1, provide what is listed for TG-1 on M-601.

3. All other terms and conditions remain unchanged.
