

DEPARTMENT OF DEFENSE CONTRACT SECURITY CLASSIFICATION SPECIFICATION <i>(The requirements of the National Industrial Security Program (NISP) apply to all security aspects of this effort involving classified information.)</i>		OMB No. 0704-0567 OMB approval expires: October 31, 2020	
The public reporting burden for this collection of information, 0704-0567, is estimated to average 70 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Washington Headquarters Services, at whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.			
RETURN COMPLETED FORM AS DIRECTED IN THE INSTRUCTIONS.

The security classification guidance for classified information needed for this effort is identified below. If any difficulty is encountered in applying this guidance or if any other contributing factor indicates a need for changes in this guidance, the contractor is authorized and encouraged to provide recommended changes; to challenge the guidance or the classification assigned to any information or material furnished or generated under this contract; and to submit any questions for interpretation of this guidance to the official identified below. Pending final decision, the information involved shall be handled and protected at the highest level of classification assigned or recommended.

(Fill in as appropriate for the classified effort. Attach, or forward under separate correspondence, any documents/guides/extracts referenced herein. The field will expand as text is added. When removing any expanded text area, use delete key or backspace key, then click out of the text field for it to shrink after the text has been deleted. Also allows for up to 6 internal reviewers to digitally sign. See instructions for additional guidance or use of the fillable PDF.)

While performing duties within NAVIFOR owned and operated facilities, the Contractor must also adhere to all service/component command/local security directives, regulations, and standard operating procedures at different contract performance locations. Appropriate local service command security directive, regulations, and standard operating procedures will be provided by the requiring agency (normally through the Performance Monitor or command TPOC). Upon completion or termination of the classified contract, or sooner when the purpose of the release has been served, the Contractor will return all classified information (furnished or generated) to the source from which received unless retention or other disposition instructions are authorized in writing by the NAVIFOR Government Contracting

Agency/Activity. Furthermore, the Contractor will account for and return to the appropriate issuing office, all identification badges and/or entry passes/vehicle decals issued to Contractor personnel upon completion or termination of the classified contract, termination of employment, or suspension of classified clearance or access of any Contractor employee. At a minimum, all contractor personnel will be required to have a TOP SECRET clearance to support this contract.
