Concessions with the National Park Service

Concessioners fill a vital role with helping the National Park Service carry out its mission. By welcoming the private sector as a partner in park operations, the NPS broadens the economic base of the region and the communities surrounding parks. The Commercial Services Program administers nearly 500 concession contracts that, in total, gross over \$1 billion annually. NPS concessioners employ more than 25,000 people in a variety of jobs during peak seasons. More information can be found at: [Concessions \(U.S. National Park Service\)](#)
