	requirements. Q: I have read through the SOW and the other docs a few times, and I'm missing 3 questions I have on variances. 1)Can wool be replaced for the synthetic the RFQ is asking for? Is there any feasibility for area rugs or has to be wall to wall? Does the reproduction carpeting have to be the exact design or a different one if era comparable? A: Wool is an acceptable carpet material. The SOW has been amended to request natural fiber carpet materials be used. Carpets must be wall to wall and match the exact design and color of the original historic carpeting. 3. The solicitation has been extended until Tuesday, February 3, 2026, at 2:00 PM EST.
